"NATIONAL HERO SERIES" NO. 2

Kosciusko—"The Greatest of the Poles"

NEVER in the history of mankind has there lived a more ardent lover of Personal and National Liberty. He fought with intrepid valor under our own Washington for American Liberty.

He devoted his life to regain the ancient freedom of his beloved Poland. Kosciusko hated any legislative attempt which invaded the Natural Rights of Man. If he were alive to-day, every son of Poland knows that he would revolt at any LAW which declared: "Thou shalt NOT eat this—thou shalt NOT drink that." Kosciusko knew that the light wines of his native land and the barley brews of Germany were good for mankind when used in moderation. He drank them himself to the end of his honored days, and who will DARE say that they in any way injured this mighty personality. For 57 years Anheuser-Busch have honestly brewed honest beers. Their great brand—BUDWEISER—is sold throughout the world and has helped the cause of true Temperance. Seven thousand, five hundred men are daily required to keep pace with the natural demand of Americans for **BUDWEISER**. Its sales exceed any other beer by millions of bottles.

Bottled only at the home plant.
